

## ACCESS TO SERVICES

How do these ideas relate to your service: UNIT 3

|   |  |
|---|--|
| In what ways are you already engaging with the community?                         |  |
| To what extent does this engagement include migrants?                             |  |
| What do you the barriers are to those migrants engaging with your service?        |  |
| Which of the inputs described in this unit could help you improve this situation? |  |
| What three things could you do better to engage with local migrant communities?   |  |
